

Ordering Dell Products

1. Introduction

This article will guide you through the process of placing an order for Dell products via UT Market. Ordering Dell products by following the [Recommended Dell Computer Models](#) page will ensure that the correct models and specifications are selected for purchase. Prices are subject to change as components fluctuate in their availability but the specs will remain the same.

Note: Once you complete the steps in this guide, refer to the [Completing a UT Market Purchase](#) guide to formally place your order.
