

Commencement

Commencement

The Cockrell School of Engineering holds graduation ceremonies each May to honor the graduate, undergraduate, and degree candidates of the **entire academic year** (past Fall, current Spring, and **future** Summer). May 2024 participants include December 2023 graduates and May 2024 and August 2024 potential graduates. [Learn more here about the Cockrell School of Engineering Commencement Ceremony.](#)

The Graduate School hosts one convocation ceremony each spring. Students who graduated in the summer or fall semesters prior to the ceremony and those who have applied to graduate in the spring may participate. [Learn more here about the Graduate School Convocation Ceremony.](#)

Regalia must be purchased or rented for the ceremonies and details for required regalia can be found online at the links for each ceremony. [You can purchase or rent regalia at the University Co-op.](#) Check the co-op site for details and deadlines.
