BMC 4.212 - wear a hardhat - look for classroom chairs (50?) from 4.206 and (30?) from 4.208 – don't care about other chairs which will be going back to other rooms post-COVID. Stuff going back to other classrooms post-COVID will have stickers on it.

- this is the one from 4.208

There are no chairs matching this exact look with an orange seat. There are 17 white folding chairs that are similar.

There are also 8 modern semi-stackable white chairs.
