

References

This data is maintained by the BioITeam community

Reference genomes

See `/corral-repl/utexas/BioITeam/ref_genome/` - this directory structure holds myriad genome references pre-indexed for a wide variety of mappers.

- Zebrafish (Zv9.69) in `fasta/misc`

Blast databases

Blast databases are available in `/corral-repl/utexas/BioITeam/blastdb/`. They are updated sporadically.
