UT Austin Programs

Cost and tuition rates for Dell Medical School are located on the Texas One Stop website: [https://onestop.utexas.edu/managing-costs/cost-tuition-rates/tuition-rates/](https://onestop.utexas.edu/managing-costs/cost-tuition-rates/tuition-rates/)

Scroll down and you will see Dell Medical School at the bottom of the list, after the School of Law.

MBA

Currently, the only third year experience that carries additional tuition and fees rate is the MBA. All other programs are currently covered within the regular Dell Medical School tuition. Typically, the MD/MBA tuition increase is announced each year in April. Historically, the increase has been around 3% each year. When available, the MD/MBA rate is posted on the Texas One stop website (above).

MPH

Students will continue paying their regular medical school tuition (see above) to UT DMS. DMS will transfer the tuition to the School of Public Health on behalf of the student. Students should not receive any invoices from the SPH directly.

Financial Aid Advising

If you have third year financial aid questions, reach out to Ernesto Lopez, Dell Medical School Scholarships and Financial Aid Manager. Email: e.lopez@austin.utexas.edu
