Internal Medicine Interest Group (IMIG)

Goals

To provide students at all levels of training with...

- An avenue to learn about internal medicine (IM).
- Shadowing opportunities in the department.
  - Please reach out to the IMIG president or outreach coordinator for more information.
- Educational and community service opportunities related to IM.
- Research opportunities in IM.
  - Please reach out to the IMIG leadership (listed below) to be connected with research opportunities.
- Resources and support to assist students forming highly competitive applications.
- Information about IM away rotations and residencies.
