UT Student Government Representative

Student Government (SG) was established in 1902 to serve as the official voice of the student body at The University of Texas at Austin. All students — including undergraduate and graduate students — are members of SG. SG represents the student body to the administration of the University, to the Board of Regents of The University of Texas System, to the City of Austin, to the Texas Legislature, and to the US Congress.

The mission of SG is to earnestly represent the interests of students, to preserve and protect the traditions and legends of the University, and to support students and student organizations in their academic and community endeavors.
