Business in Medicine (BIM)

Welcome to the Business in Medicine (BIM) page! If you are interested in hearing about what we do and possibly joining, do the following:

1. Join our slack workspace (#bim-general)

Goals

1. Foster an environment where members can learn and discuss pertinent topics in healthcare
2. Create networking opportunities for members to interact with healthcare providers in the community with experience in management
3. Offer opportunities to practice skills via case competitions and conferences

Past Events

- Kick-Off panel with third-year MD/MBA students
- Intro to American Healthcare System
- Health Economics and Insurance
- Understanding Healthcare Delivery
- Value Based Care and Contracts

Our sponsor, Dr. Harris, at our kickoff meeting:

Learning about value-based care and contracts with Dr. Teisberg:
Learning about the MSK innovative practice unit (IPU) with Dr. Koenig:

More events to come soon! If you have any questions, you can reach out to any of the student leaders (listed below) directly 😊
